DETAILED ACTION

Claim Rejections - 35 USC § 112

Claims 2-10 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 2-10: there is confusing antecedent basis for "hanging mechanism" and "elongating mechanism". It is unclear if these mechanism are the same mechanisms of claim 1, or if they are additional mechanisms. Furthermore, it is unclear which mechanism "said elongating mechanism" and "said hanging mechanism" refers back to. Each of claim 2-10 refers to at least one of the mechanisms.

Allowable Subject Matter

Claims 1 and 14 are allowed.

Claims 2-10 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Response to Arguments

Although the previous Office action indicates that language in suggested claim 15 would be allowable. There was no indication that claims 2-10 would be allowable if they depended from claim 15.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
